

NOTICE

03-23-2020

**We are *OPEN* but our showrooms
& warehouses are *CLOSED* to
the public at this time.**

Please read below:

We take great pride in being part of your business and have been working hard to meet your evolving needs as the spread of COVID-19 (the coronavirus) grows. That will continue and our *business will remain open* to service your needs to the best of our abilities.

At the same time, nothing is more important than the safety and wellness of our teams, customers and communities. We have been fortunate that there haven't been any reported cases of COVID-19 linked to any of our operations at this time, but, based on the latest guidance from the Centers for Disease Control (CDC) and World Health Organization (WHO), we have made the decision to temporarily stop public access to all operations until further notice to help prevent further spread of the coronavirus in our local communities. Our customer service, operations, and warehouse facilities will remain open and we will continue to provide the products you depend on daily to operate your business.

**Kingston area please call us at 613-546-6663 or email us at info@levacsupply.com
Brockville area please call us at 613-345-1991 or email us at
brockville@levacsupply.com and we will attend to your order or inquiry
immediately.**

If you are picking up or delivering to one of our facilities, we ask that you observe social distancing practices and advise our staff if you have travelled outside of the country in the last 14 days or exhibit any of the known COVID-19 symptoms:

- Fever
- New or worsening cough
- Sore throat
- Difficulty breathing

We will continue to monitor the situation as it evolves and adjust our policies and actions based on the best interest of the health and safety of all those involved.
